Reservation Conditions

You can submit a reservation request via this website. You will receive an email, the so-called reservation confirmation, which sets out the agreements made with you.

Within two weeks, you must confirm the reservation online in LabelBooking and pay a 50% deposit.

Your reservation will lapse if we do not receive the reservation confirmation and the deposit in time. We reserve the right to make changes to the allocated camping fields.

Financial Terms

- You pay per person per night and/or per day. The applicable rates are listed on the website.
- A group consists of 7 persons or more; smaller groups fall under the “Other” rate.
- During the winter period, a minimum of 10 campers applies, or the corresponding amount.
- An administration fee of €3.50 is charged per reservation.
- These rates include the use of pioneering poles, refrigerators, Wi-Fi, and showers.
- The rates apply for the current calendar year. New rates are published on the website in January.
- Up to 6 weeks prior to arrival, the number of participants may be reduced free of charge; this may affect the allocated camping fields.
- We apply an 80% rule: you will always pay for at least 80% of the number of participants stated in the reservation, regardless of the actual number attending. This prevents groups from overbooking and disappointing others.
- Any additional costs must be paid on site. Payment by debit card isn’t possible at the campsite.

Liability

- The campsite management accepts no liability for accidents, theft, loss, damage to or loss of property and/or luggage of campers.
- Renters who damage property belonging to Scouting Campsite Staelduin are liable for the costs of repair and materials.

- The site manager/camp staff is obliged to do everything necessary to ensure the proper maintenance of the site and to promote scouting camping. They therefore have the right to refuse access to, or terminate the stay of, an individual or an entire group if the rules are not observed.
- Camping in a forest involves certain risks. Although we do everything possible to maintain the forest properly, we advise you to carefully check where tents are pitched before setting up camp. The campsite and its volunteers are not liable for damage caused by, for example, ticks, oak processionary caterpillars, falling branches or treetops, etc.
